

NASYWA CHONIFAHTUN FIQRIHIYAH

Informatics Student | AI & Data Enthusiast | Software Developer

Jakarta, Indonesia | +62 898 4663 986 | nasywa.fiqrihiyah@gmail.com | [LinkedIn](#) | [Github](#) | [Portfolio](#)

EDUCATION

PRESIDENT UNIVERSITY — B.Sc. in Informatics, Artificial Intelligence Concentration

Cikarang, Indonesia | GPA: 3.78/4.00 | Jababeka Scholarship 2nd Rank Awardee

Sep 2024 – Present

EXPERIENCE

INTERNSHIP & CAREER CENTER (ICC), PRESIDENT UNIVERSITY — Talent Acquisition

Nov 2025 – Dec 2025

- Reviewed and verified 900+ student resumes through the President University Information System (PUIS), ensuring data accuracy and alignment with ICC standards.
- Collaborated with the Talent Acquisition team to evaluate student career profiles and support the improvement of career-readiness data.

SETSAIL BIZACCEL — Web Developer

Oct 2024 – May 2025

- Maintained and enhanced the Setsail BizAccel website using ZOHO, Tailwind CSS, and JavaScript, improving content accuracy and user navigation.
- Collaborated across web development, multimedia, event operations, and documentation functions, contributing to cross-functional projects in a startup accelerator environment.

PROJECTS

JejakNusantara — RAG-Based Indonesian History Chatbot

Python · RAG · LLM · Llama 3 · Qwen · Ollama

- Developed an educational RAG chatbot grounded in Indonesian history textbooks using local LLMs, multilingual embeddings, and similarity-based document retrieval.
- Evaluated Llama 3 and Qwen pipelines using ROUGE, precision, recall, F1-score, response time, and human evaluation.

Coordinated Trash Collection System

Python · YOLOv8n · Flask · Arduino · Computer Vision · Robotics

- Built and integrated a 4-DOF robotic arm controlled by Arduino Nano for autonomous trash pickup and placement.
- Contributed to the integration of YOLOv8n real-time detection, Flask web interface, robotic arm control, and line-following mobile robot coordination.

PACKWISE AI — Packaging Decision Support System

Python · FastAPI · Supabase · Rule-Based System

- Developed a rule-based risk assessment component that translates packaging engineering knowledge and product variables into structured risk evaluations.
- Contributed to the FastAPI backend and Supabase integration, including authentication and risk assessment workflows.

BISINDO Sign Language Learning & Detection System

Python · TensorFlow/Keras · Computer Vision · Deep Learning

- Developed a web-based sign language learning and detection system using deep learning and live camera input.
- Integrated computer vision inference with an interactive application to support real-time BISINDO sign recognition.

ACHIEVEMENT & COMPETITIONS

HACKSPHERE × KAI HACKATHON — TOP 5

Oct 2025

- Collaborated in a 48-hour hackathon to develop an integrated digital service platform for PT Kereta Api Indonesia.
- Developed the frontend for the Lost & Found feature and integrated it into the broader application flow, contributing to the team's Top 5 placement.

DATATHON RISTEK FASILKOM UI — PARTICIPANT

2026 · Ongoing

- Participating in a data science competition organized by the Faculty of Computer Science, Universitas Indonesia, involving data analysis, predictive modeling, and scientific paper development.

TECHNICAL SKILLS

Languages	: Python, JavaScript, C++, Java, PHP, SQL
Frontend	: HTML, CSS, React, Tailwind CSS
Backend & APIs	: Flask, FastAPI, REST API
Databases	: PostgreSQL, MySQL, Supabase
AI & Data	: Machine Learning, Computer Vision, RAG, LLMs, TensorFlow/Keras, Scikit-learn, Pandas, NumPy, SciPy
Tools	: Git, GitHub, Google Colab, VS Code, Android Studio, Vercel, Roboflow

CERTIFICATIONS

Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate — Oracle (2025) | Associate Data Scientist — BNSP (2024) | Junior Network Administrator — BNSP (2025) | Google AI Essentials — Google (2026) | Link Women Intensive Bootcamp Top 200 Participant — UN Women Indonesia (2025) | AI Engineer for Millennial — Komdigi (2025) | Fundamental of Data Engineering — Komdigi (2025)

ADDITIONAL

Languages

: Indonesian (Native, UKBI 648) · English (Intermediate, IELTS 6.0)

Soft Skills

: Problem Solving, Research, Communication, Team Collaboration, Adaptability
